NO SHOW - CANCELLATION - POLICIES AND FEES

CANCELLATION POLICY

For the convenience of all of our patients and staff, we require 24 hours notice whenever you need to cancel an appointment. Getting cancellation information in advance allows us to schedule and serve you and other patients.

NO SHOW POLICY

We understand that sometimes emergencies happen and appointments cannot be cancelled in advance. With that in mind, we'll forgive a single missed appointment. However, after one missed or late cancellation you'll be charged \$25 for each instance. We reserve the right to dismiss a patient from our practice after their third missed appointment.

NO SHOW FEES FOR PROCEDURES

By signing this agreement, you (the patient) are attesting that you understand that if you fail to give a minimum of 24 hours notice of cancellation for any of the following services, you will be assessed a no-show fee in the amount shown by each type of service. You are also attesting that you understand that this charge will be billed directly to you, not your insurance company.

- EMG (electromyography and nerve conduction study): \$ 50.00
- Physical Therapy Services: \$ 50.00
- Sleep Studies: \$ 200.00
